*To Whom It May Concern:*

*In early 2023, I received an email from Action4Canada informing me that Mr. Tyson Cook, also known as drag queen Freida Whales, was scheduled to read stories to children at Kelowna Public Library.*

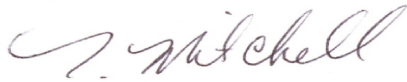

*I am on Action4Canada's mailing list and, after receiving their email, I re-published parts of their email on my facebook account.*

*I sincerely apologize to Mr. Cook for re-publishing Action4Canada's statements about Mr. Cook and any negative impact doing so may have had on Mr. Cook.*

*In the future, I will be more mindful of the wording of posts that I share on social media.*

*I have removed the posts.*

*Yours truly,*
